Subject: UPDATE: IMPORTANT NOTICE per WAC 480-62-305: Temp Toteff and Hendrickson Dr Crossing Closures & Open Hendrickson Dr

All:

BNSF has made two amendments to the traffic plans outlined in the email sent on May 20, 2016.

1. Closure of Toteff Road crossing on 5/31/16 has been **extended to 1800 instead of 1600.** BNSF expects that the crossing will reopen before 1800.

2. Initially, BNSF had planned to close Hendrickson Drive between 6/1/16 and 6/6/16. Now, **BNSF will be keeping Hendrickson Drive open for access at all times.**

Please still expect minor delays as traffic may be blocked for short periods due to construction. Flaggers will be present to assist with traffic movement if such blocking occurs. After BNSF installs the new Hendrickson Drive crossing gate between 6/1 and 6/6, Hendrickson Drive will be limited to single lane traffic, controlled by traffic lights.

Please refer to the updated traffic control plan for 6/1 – 6/6 for your reference and updated summary schedule below:

05/31/16
- Temporary closure of Toteff Road crossing between 0600 and **1800**

06/01/16 – **6/6/16**
- **Begin flagging as needed for minor traffic blocking due to construction**

- **After crossing gate installed sometime between 6/1 and 6/6, single lane traffic controlled by traffic lights**

06/06/16
- New Hendrickson Drive crossing scheduled to open
- Toteff Road crossing temporarily closed following Hendrickson Drive crossing opening
- Closed section of Hendrickson Drive re-opened to single lane traffic, residents only.

06/30/16
- Tentative reopening of Toteff Road crossing

Subject: IMPORTANT NOTICE per WAC 480-62-305: Temp Toteff and Hendrickson Dr Crossing Closures & Open Hendrickson Dr

IMPORTANT NOTICE:

All:

Please see the attached construction notice titled "Construction Notice – Phase II – Hendrickson Dr Crossing Opening & Toteff Rd Crossing Closure.pdf" and the associated traffic control plans.

BNSF is moving into Phase II of construction and in preparation for this BNSF will, at various points in time, be temporarily closing Toteff Road crossing and a short section of Hendrickson Drive to open the new Hendrickson Drive crossing. Closures are starting on May 31, 2016 and the new Toteff Road crossing is scheduled to open on June 30, 2016. Please see schedule below:

05/31/16
- Temporary closure of Toteff Road crossing between 0600 and 1600

06/01/16
- Begin temporary closure of section of Hendrickson Drive

06/06/16

- New Hendrickson Drive crossing scheduled to open
- Toteff Road crossing temporarily closed following Hendrickson Drive crossing opening
- Closed section of Hendrickson Drive re-opened to single lane traffic, residents only.

06/30/16

- Tentative reopening of Toteff Road crossing

Please let myself or Megan McIntyre (Megan.McIntyre@BNSF.com) know if you have any questions or concerns.

Subject: FOLLOW-UP: TEMCO Crossing/Toteff Road Crossing Construction Notice

All,

This is a follow up to Fernando Gonzalez's notice on Construction Activities at Toteff Road/Hendrickson Drive at the BNSF Track Crossing sent to all on February 11, 2016.

BNSF will be closing TEMCO crossing (west of Toteff Road Crossing) on May 9, May 11, and if necessary, May 12, 2016 between 6 am to 6 pm for crossing work. Toteff Road west of the crossing will still be accessible via a single lane shoofly (detour) road. Flaggers will be in place to assist with traffic movement. No significant impact to the community is expected, but there may be minor delays. After work hours, full normal traffic operations will be reinstated.

Please see the attached construction notice with traffic control plan and emergency services route which was agreed on, on 4/26/16.

Please let me know if you have any questions or concerns.

Subject: FOLLOW-UP: Toteff Rd Construction Notice

All,

This is a follow up to Fernando Gonzalez's notice on Construction Activities at Toteff Road/Hendrickson Drive at the BNSF Track Crossing sent to all on February 11, 2016. Work on Phase I is continuing, and as part of the work in Phase I, we will be temporarily limiting traffic at Toteff Road Crossing to one lane during work hours for one or two days.

BNSF is planning to install a conduit under Toteff Road Crossing on the east side of the tracks on 4/14/16 between 0700 and 1600. During this time, traffic across Toteff Road will be limited to single lane traffic. Flaggers will be present to assist with safe traffic movement through the crossing. In the case that the work is not complete on 4/14/16, work will continue on 4/15/16 between 0700 and 1600. Again, traffic will be limited to one lane with the assistance of flaggers.

Please let me know if you have any questions or concerns.

Kind Regards,

Ryan Chan
