RE: **2021 Liquified Natural Gas Standard Inspection – NW Natural – Mobile LNG (Insp. No. 8287)**

Dear Mr. Huddleston:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Standard Inspection of NW Natural, Mobile LNG on September 20, 2020. The inspection included a records review and inspection of LNG mobile facilities.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of the date of this letter.

Staff thanks NW Natural's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Derek Norwood at (360) 259-2525.

Sincerely,

Mayo, Sean (UTC)
