RE: **2021 Propane Peak Shaving Plant Standard Inpsection – SWARR Propane/Air Peak Shaving Plant (Insp. No. 8292)**

Dear Ms.Gilbertson:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a standard inspection of Puget Sound Energy's (PSE) SWARR Propane-Air Peak Shaving Plant from June 14, 2021 to June 16, 2021. The inspection included an electronic records review and inspection of pipeline facilities.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of the date of this letter.

Staff thanks PSE's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Darren Tinnerstet at (360) 764 - 0779.

Sincerely,
