RE: 2013 Natural Gas Distribution Integrity Management Plan-City of Enumclaw

We conducted a Distribution Integrity Management Plan (DIMP) inspection on February 19-20, 2013, of the City of Enumclaw gas pipeline system. The inspection included a review of Enumclaw's DIMP plan, its implementation and associated documentation.

I am pleased to report that no probable violations or areas of concern were found during this inspection.

We would also like to thank Mr. Ed Hawthorne for his cooperation and assistance during this inspection. If you have any questions or need any assistance, please contact Scott Rukke at (360) 664-1241.

Sincerely,
