Dear Mr. Daly:

RE: 2013 Hydrogen Gas Public Awareness Inspection – Solvay Chemicals, Inc

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Public Awareness inspection of Solvay Chemicals, Inc. (Solvay), at the Longview facility on September 10, 2013. The inspection included a review of the company's Public Awareness program and associated records.

No apparent violations were noted as a result of the inspection.

Staff would like to thank Solvay personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Patti Johnson at (360) 664-1266. Please refer to the subject matter described above in any future correspondence pertaining to this inspection.

Sincerely,

David D. Lykken
Pipeline Safety Director
