**RE: 2017 Natural Gas Standard Inspection – Cascade Natural Gas Corporation  
Transmission Unit (Insp. No. 6778)**

Dear Mr. Martuscelli:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Standard inspection on October 10-11, of Cascade Natural Gas Corporation's (CNGC) Transmission Unit. The inspection consisted of a comprehensive records and field review.

There were no apparent violations, as a result of the inspection, therefore this inspection will be closed as November 8.

Staff thanks CNGC's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Anthony Dorrrough at (360) 664-1318.

Sincerely,

Sean C. Mayo  
Pipeline Safety Director
