**RE: 2017 Natural Gas Integrity Management Program Inspection – Georgia-Pacific
Camas Mill (Insp. No. 7245)**

Dear Mr. Ness:

Staff from the Washington Utilities and Transportation Commission (staff) conducted an inspection of Georgia-Pacific Consumer Products (GP) Camas Mill pipeline on Oct. 16-17. The inspection included review of the Integrity Management Program and records.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of Nov. 17.

Staff thanks GP's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Lex Vinsel at (360) 664-1319

Sincerely,

Sean C. Mayo
Pipeline Safety Director
