Dear Mr. Ertolacci:

**RE: 2017 Natural Gas Public Awareness Program Effectiveness Inspection
Georgia-Pacific Corp. - Camas Mill (Insp. No. 7267)**

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Public Awareness inspection on April 12, of Georgia-Pacific Corp., Camas Mill (GP Camas). The inspection included a review of the Public Awareness Program and associated records.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of May 17.

Staff thanks GP Camas's personnel and Cosentino Consulting Inc. for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Anthony Dorrough at (360) 664-1318.

Sincerely,

Sean C. Mayo
Pipeline Safety Director
