Dear Martuscelli:

RE: 2017 Natural Gas Operator Qualification Inspection – Cascade Natural Gas Corporation, Headquarters – (Insp. No. 7269)

Staff from the Washington Utilities and Transportation Commission (staff) conducted an Operator Qualification inspection on September 25, of Cascade Natural Gas Corporation (CNGC) Headquarters. The inspection consisted of a comprehensive records review.

There were no apparent violations, as a result of the inspection, therefore this inspection will be closed as of October 27.

Staff thanks CNGC's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Anthony Dorrough at (360) 664-1318.

Sincerely,

Sean C. Mayo
Pipeline Safety Director
