RE: 2017 Natural Gas Public Awareness Inspection – City of Ellensburg – (Insp. No. 7473)

Dear Mr. Akers:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Public Awareness inspection on Oct. 18, of the City of Ellensburg's natural gas system. The inspection included a comprehensive program and records review.

No apparent violations or concerns were noted as a result of the inspection, therefore this inspection will be closed as of Nov. 15.

Staff thanks The City of Ellensburg's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Anthony Dorrrough at (360) 664-1318.

Sincerely,

A handwritten signature in black ink, appearing to read "Sean C. Mayo".

Sean C. Mayo
Pipeline Safety Director
