**RE: 2018 Hazardous Gas Standard Inspection – Puget Sound Energy – LP Gas  
Distribution (Insp. No. 7566)**

Dear Ms. Gilbertson:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a standard inspection of Puget Sound Energy's, (PSE's), LP Gas Distribution system from April 17 to April 18, 2018. The inspection included a records review of operations and maintenance activities and a review of the retirement plan of the now abandoned pipeline facilities.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of April 27, 2018.

Staff thanks PSE's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Dennis Ritter at (360) 664-1159.

Sincerely,

Sean C. Mayo  
Pipeline Safety Director
