RE: 2021 Natural Gas Standard Inspection – Ferndale Pipeline System – (Insp. No. 8076)

Dear Mr. D'Andrea:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a standard inspection of the Ferndale Pipeline System (Ferndale), from June 14, 2021 to June 16, 2021. The inspection included a records review and inspection of pipeline facilities.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of the date of this letter.

Staff thanks Ferndale's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Dennis Ritter at (360) 402-0066.

Sincerely,

Sean C. Mayo
Pipeline Safety Director
