Dear Mr. Shapiro:

Staff from the Washington Utilities and Transportation Commission (staff) conducted an annual review of Puget Sound Energy's (PSE) headquarters programs on Sept. 30, 2021, and Oct. 4, 2021. The inspection included an electronic review of program records and any changes made during the last year.

No apparent violations were noted as a result of this review, and this inspection will be closed as of the date of this letter.

Staff thanks PSE's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Darren Tinnerstet at (360) 764-0779.

Sincerely,

Sean C. Mayo
