**RE: 2022 Liquefied Petroleum Gas (LPG) Operations and Maintenance Manual
Inspection – Puget Sound Energy – SWARR Propane-Air Plant – (Insp. No. 8452)**

Dear Mr. Koch:

Staff from the Washington Utilities and Transportation Commission (staff) conducted an Operations and Maintenance Manual Inspection of Puget Sound Energy's (PSE) SWARR Propane-Air Plant in October 2022. The exit interview for this inspection was completed October 27, 2022. The inspection included a review of SWARR's Operations & Maintenance Manual, Emergency Operating Procedures and PSE's Gas Operating Standards.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of the date of this letter.

Staff thanks PSE's personnel for their professionalism and cooperation during this inspection. If you have any questions or if we may be of any assistance, please contact Derek Norwood at (360) 259-2525.

Sincerely,

Scott Rukke
Chief, Pipeline Safety

cc: Henry Shapiro, Director of Gas Operations, Puget Sound Energy
Troy Hutson, Director, Compliance, Puget Sound Energy
Zak Mohamed, Manager Compliance & Quality Management, Puget Sound Energy

Respect. Professionalism. Integrity. Accountability.
