Subject: POSTPONED: TEMCO Crossing/Toteff Road Crossing Construction Notice

All:

This is a follow up to my email sent on Friday, April 29, 2016 regarding the closure of TEMCO crossing. At this time, the work scheduled for 5/9/16-5/12/16 has been delayed. TEMCO crossing will remain open and fully operational.

The new date for the TEMCO crossing work is tentatively early June 2016 and notices will be sent prior to work starting.

Please let me know if you have any questions, thank you.

Regards,

Ryan Chan

Subject: FOLLOW-UP: TEMCO Crossing/Toteff Road Crossing Construction Notice

All,

This is a follow up to Fernando Gonzalez's notice on Construction Activities at Toteff Road/Hendrickson Drive at the BNSF Track Crossing sent to all on February 11, 2016.

BNSF will be closing TEMCO crossing (west of Toteff Road Crossing) on May 9, May 11, and if necessary, May 12, 2016 between 6 am to 6 pm for crossing work. Toteff Road west of the crossing will still be accessible via a single lane shoofly (detour) road. Flaggers will be in place to assist with traffic movement. No significant impact to the community is expected, but there may be minor delays. After work hours, full normal traffic operations will be reinstated.

Please see the attached construction notice with traffic control plan and emergency services route which was agreed on, on 4/26/16.

Please let me know if you have any questions or concerns.

Subject: FOLLOW-UP: Toteff Rd Construction Notice

All,

This is a follow up to Fernando Gonzalez's notice on Construction Activities at Toteff Road/Hendrickson Drive at the BNSF Track Crossing sent to all on February 11, 2016. Work on Phase I is continuing, and as part of the work in Phase I, we will be temporarily limiting traffic at Toteff Road Crossing to one lane during work hours for one or two days.

BNSF is planning to install a conduit under Toteff Road Crossing on the east side of the tracks on 4/14/16 between 0700 and 1600. During this time, traffic across Toteff Road will be limited to single lane traffic. Flaggers will be present to assist with safe traffic movement through the crossing. In the case that the work is not complete on 4/14/16, work will continue on 4/15/16 between 0700 and 1600. Again, traffic will be limited to one lane with the assistance of flaggers.

Please let me know if you have any questions or concerns.

Kind Regards,

Ryan Chan
