Citizens Advisory Committee on

Pipeline Safety

Telephone Conference Call Notice

The Citizens Committee on Pipeline Safety, a Governor-appointed oversight committee, is planning to hold a telephone conference call meeting on January 8, 2016 from 10 am to 11 am.

Committee meetings are open to the public. To ensure the public has an opportunity to participate, the UTC will be providing access for interested parties to dial in; however a limited number of lines will be made available. If you are interested in calling in to listen or join the conference call, please contact me at the email address provided below by 4 pm (pst), Thursday, January 7, 2016.

Thank you.
