# IMPORTANT NOTICE

This is to inform you of BNSF's plan to replace the railroad crossing panels on our main line track at West Fern Bluff Rd. and Sophie Road West. The work will include removing the crossing panels, rail, ties and ballast under the crossing panel and replacing that material. See Table 1 for a detail list of when the work is to begin and end.

These crossings will remain closed during the entire two day duration as there are adjacent crossings open for thru traffic. Traffic control plans including detour routes and signage will be provided by [N.W. Safety Signs](#).

If you have questions about the regulatory process, you may need to contact Washington Utilities and Transportation Commission at: WUTC, 1300 S. Evergreen Park Dr. S.W., P.O.
