Subject: Closure of TEMCO BNSF Track Crossing During Work Hours with Alternative Access via Somarakis Yard

To Whom It May Concern:

As part of the ongoing BNSF Railway construction work at Toteff/Hendrickson Crossing, BNSF Railway will be closing the Toteff/TEMCO road crossing between approximately 6 am to 6 pm starting July 18 to July 22. Hendrickson Road Crossing will still be in operation at all times. The purpose of the closure is to perform crossing work at the TEMCO road crossing (crossing north of Toteff Road crossing).

A temporary detour through the Somarakis Yard and TEMCO facility will be in place during the Toteff/TEMCO road crossing closure and in operation during work hours (6 am to 6 pm, subject to change). Please note that no oversized vehicles or trailers will be allowed to use the detour. Flaggers will be present to assist with traffic movement through the detour. After work hours, the detour will be blocked off and the Toteff/TEMCO road crossing will be reinstated to full and normal traffic operations. Please see the attached traffic control plan.

During the closure of Toteff/TEMCO road crossing, emergency services will need to utilize the Toteff/TEMCO facility road for access west of Toteff/TEMCO road crossing. Emergency services can enter and exit the TEMCO facility via the north construction entrance. This route can only be utilized by emergency services during an emergency. Please refer to the attached map with route for emergency services vehicles during the closure.

Tentative schedule for the TEMCO crossing closure is as follows: July 18 to July 22, 2016 – 6 am to 6 pm. Full, normal operation of Toteff/TEMCO road crossing after 6 pm.
