IMPORTANT NOTICE

This is to inform you of BNSF's plan to remove the concrete or wood crossing materials at 3 public and 3 private grade crossings on our main line track starting on 8/24/2020 at Winton School Rd. working Eastward ending at the private crossing 924593X in Leavenworth, WA. This work is due to scheduled capital work for a BNSF system undercutting crew being on the territory and their work requires these temporary removals to complete the job. See Table 1 for a detail list of when the work is to begin and end.

Each Crossing will be closed until the Undercutter crew is done at the location and open no later than the following morning. Traffic control plans including detour routes and signage will be provided by Jana Haugen @ 360-220-7931 with N.W. Safety Signs.

If you have questions about the regulatory process, you may need to contact Washington Utilities and Transportation Commission at: WUTC, 1300 S. Evergreen Park Dr. S.W., P.O. Box 47250, Olympia, WA. 98504-7250; 1-800-562-6150 (toll-free). Also, you may contact the Federal Railroad Administration at 1-800-724-5998 (toll-free).

If you have any questions please contact Paul Farley at 509-591-2021.
