Dear Ms. McLain:

RE: 2012 Gas Distribution Integrity Management Program Inspection

Staff from the Washington Utilities and Transportation Commission (staff) conducted an inspection of Puget Sound Energy's (PSE) Distribution Integrity Management Program (DIMP) from October 30-31, 2012. The inspection included a review of PSE's DIMP procedures and records. An exit interview discussing the results of the inspection was performed on October 31, 2012.

No apparent violations were noted as a result of this inspection.

Staff would like to thank PSE's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Scott Rukke at (360) 664-1241.

Sincerely,

David D. Lykken
Pipeline Safety Director
