Dear Mr. Haynes:

RE: 2013 Natural Gas Standard Inspection – Weyerhaeuser Company – Ostrander Pipeline

Staff from the Washington Utilities and Transportation Commission (staff) conducted a standard inspection from June 24 - 25, 2013, of the Weyerhaeuser Company – Ostrander Pipeline system. The inspection included a records review and inspection of Weyerhaeuser pipeline facilities.

No apparent violations were noted as a result of the inspection.

Staff would like to thank Weyerhaeuser's personnel and contractors for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Dave Cullom at (360) 664-1141. Please refer to the subject matter described above in any future correspondence pertaining to this inspection.

Sincerely,

David D. Lykken
Pipeline Safety Director
