Subject: Re: 2013 Anti-Drug and Alcohol Misuse Inspection Air Liquide Large Industries U.S. LP Kalama WA

Bobby,

Air Liquide's request for an extension is approved. The company's response should be received no later than Friday, January 10th.

The Air Liquide's approval to submit the response letter pertaining to the attached correspondence has been slightly delayed by our legal department because of the holidays. Can you please **grant** an additional four days beyond the January 3 deadline for submittal? I apologize for the inconvenience and can send you a copy of the draft letter for your review upon request.

Thanks

B.L.Skelton
