Dear Mr. Porter:

RE: 2014 Natural Gas IMP Inspection - Ferndale Pipeline System, (Insp. ID 5811)

Staff from the Washington Utilities and Transportation Commission (staff) conducted an Integrity Management inspection from October 6-10, 2014, of the Ferndale Pipeline System. The inspection included a records review at BP's Naperville, IL corporate offices.

No apparent violations were noted as a result of this inspection. This inspection will be closed as of December 12, 2014.

Staff would like to thank BP Pipelines' personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Al Jones at (360) 664-1321.

Sincerely,

David D. Lykken
Pipeline Safety Director
