Dear Mr. DeCosimo:

RE: 2014 Hazardous Liquid Control Room Management Inspection – Targa Sound Terminal LLC. – Tacoma WA.

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Control Room Management inspection from February 24 - 26, 2014, of Targa Resources, Targa Sound Terminal, LLC (Targa). The inspection included a review of control room management procedures and processes.

No apparent violations were noted as a result of the inspection.

Staff would like to thank Targa's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Lex Vinsel at (360) 664-1319. Please refer to the subject matter described above in any future correspondence pertaining to this inspection.

Sincerely,

David D. Lykken
Pipeline Safety Director
