Dear Mr. Smith:

RE: 2014 Natural Gas Operator Qualification Inspection – Cardinal FG

Staff from the Washington Utilities and Transportation Commission (staff) conducted an Operator Qualification inspection on March 18, 2014 of the Cardinal FG (Cardinal) Operator Qualification plan. The inspection included a review of the plan and associated records.

No apparent violations were noted as a result of the inspection.

Staff would like to thank Cardinal's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Patti Johnson at (360) 870-4915. Please refer to the subject matter described above in any future correspondence pertaining to this inspection.

Sincerely,

David D. Lykken
Pipeline Safety Director
