Dear Mr. Soriano:

RE: 2014 Hazardous Liquid Standard Inspection – SeaTac Fuel Facilities, LLC

Thank you for your letter dated September 3, 2014, addressing the findings of our inspection conducted at the Swissport Fueling, Inc. SeaTac Fuel Facilities, LLC from June 3 - 4, 2014.

Staff accepts Swissport's actions to bring these items into compliance. This inspection will be closed as of September 30, 2014.

Staff would like to thank Swissport's personnel for their cooperation and assistance during this inspection.

If you have any questions or if we may be of any assistance, please contact Dave Cullom at (360) 664-1141.

Sincerely,

David D. Lykken
Pipeline Safety Director
