Dear Mr. Haynes:

RE: 2014 Natural Gas Operator Qualification Inspection – Weyerhaeuser Longview Mill

Staff from the Washington Utilities and Transportation Commission (staff) conducted an Operator Qualification (OQ) inspection and exit interview on March 18, 2014 of Weyerhaeuser – Longview Mill. The inspection included a review of Weyerhaeuser's OQ plan and associated records.

No apparent violations were noted as a result of the inspection.

Staff would like to thank Weyerhaeuser's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Ronda Shupert at (360) 464-7846. Please refer to the subject matter described above in any future correspondence regarding this inspection.

Sincerely,

David D. Lykken
Pipeline Safety Director
