Columbus, MS 39702

Dear Mr. Jordan:

RE: 2014 Hydrogen Gas Pipeline Operations and Maintenance Manual Inspection – Akzo Nobel Pulp and Performance Chemicals, Moses Lake, WA (Insp. No. 5859)

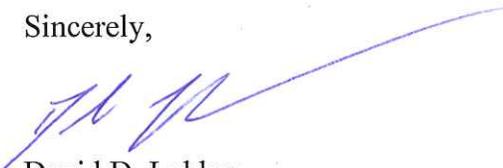

Staff from the Washington Utilities and Transportation Commission (staff) conducted a review of the Akzo Nobel Pulp and Performance Chemicals (Akzo Nobel), Operations & Maintenance (O&M) manual the week of January 26, 2015. An exit interview was conducted on February 3, 2015.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of February 5, 2015.

Staff would like to thank Akzo Nobel's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Anthony Dorrrough, Pipeline Safety Engineer at (360) 664-1318.

Sincerely,

David D. Lykken
Pipeline Safety Director
