Houston, TX 77056

Dear Mr. Bruce:

**RE: 2015 Hydrogen Gas Pipeline Standard and Operator Qualification Inspection – Air
Liquide Industrial U.S. LP, Kalama, WA – (Insp. No. 6199)**

The Washington Utilities and Transportation Commission (staff) conducted a standard inspection from March 23 to 24, 2015, of the Air Liquide Industrial U.S. LP, Kalama, WA (Air Liquide) hydrogen gas pipeline system. The inspection included a records review and a field inspection of selected pipeline facilities, and review of Air Liquide's written Operator Qualification plan.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of April 24, 2015.

Staff would like to thank Air Liquide's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Ronda Shupert at (360) 664-1182.

Sincerely,

David D. Lykken
Pipeline Safety Director
