Dear Mr. McKellar:

RE: 2015 Operator Qualification Program Inspection – J.R. Simplot Company, Moses Lake, WA, Insp. No. 6200

Staff from the Washington Utilities and Transportation Commission (staff) conducted an operator qualification (OQ) program inspection of J.R. Simplot Company, Moses Lake pipeline facility on September 14, 2015. The inspection included a review of J.R. Simplot's OQ program and associated records.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of October 12, 2015.

Staff would like to thank J.R. Simplot's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Dave Cullom at (360) 664-1141.

Sincerely,
