Dear Mr. Di Cosimo:

RE: 2015 Hazardous Liquid Standard Inspection – Targa Sound Terminal LLC – (Insp. No. 6207)

Thank you for your letter dated January 20, 2016, addressing the findings of our inspection conducted at Targa Sound Terminal LLC (Targa) from November 3 to November 4, 2015.

Staff accepts Targa's response and this inspection will be closed as of February 5, 2016.

Staff would like to thank Targa's personnel for their cooperation and assistance during this inspection.

If you have any questions or if we may be of any assistance, please contact Scott Rukke at (360) 664-1241.

Sincerely,

Alan E. Rathbun
Pipeline Safety Director
