<input checked="" type="checkbox"/> S – Satisfactory (explain)*	Comments: Bullet #1- 2012 represents the 4th year. Reviewed the Evaluation for 2016 to date. Bullet #2- Simplot has chosen not to make any changes to their program at this time based upon its historical success so far. Bullet #3- Simplot has not identified any improvements at this time. NOTE: Staff suggested a possible enhancement: Simplot should make a point of communicating to county representatives on the LEPC the importance of keeping Simplot in the loop on any proposed new construction permitting or Public Works projects that could possible jeopardize the pipeline system as they arise.
