By mcx

This Tariff applies to:

REFUSE COLLECTION SERVICE restricted to hazardous, industrial liquid, including acids, chemicals and residuals (not to exceed 3,000 gallons in bulk per shipment), and extremely hazardous semi-solid waste, including acids, chemicals and residuals in Pierce, King, Snohomish and Whatcom Counties and intercounty.

10

APPLICATION OF RATES

Except as otherwise specifically provided, rates named in this tariff cover the following:

Loading, exchange of empty drums for loaded drums, running PH Test to determine disposal site, transportation, unloading and one cleaning of carrier's equipment.

20

If more than one tank cleaning is required, a charge of \$40.00 will be assessed for each additional cleaning.

Rates named in this tariff, unless otherwise specifically provided in individual items, do not include disposal fees. The carrier will obtain a receipt from the disposal facility showing the actual disposal fee price. Actual disposal fees will be added to the billing to the customer.
