

AUTO TRANSPORTATION TARIFF TEMPLATE

- * Please see further directions for completing this tariff template in “How to File Tariffs and Time Schedules” on our website.
- * The Auto Trans Tariff Template contains lists of Rules topics that may or may not pertain to your operations.
- * Create your rule page(s) to conform to the service you are proposing to provide. Delete the ones that are not significant to your company.
- * The required rule for Service Animals is completely stated. The WAC 480-30-356 and WAC 480-30-476 required rules have already been completely stated or partially stated on the tariff template. Please pay extra attention to these rules:
