Dear Mr. Cabodi:

RE: 2012 Hazardous Liquid Public Awareness Inspection – McChord Pipeline Company

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Public Awareness Program inspection from May 21-22, 2012 of McChord Pipeline Company (McChord). The inspection included a review of your Public Awareness Program and associated records.

I am pleased to report that no apparent violations were noted as a result of the inspection.

Staff would like to thank McChord's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Patti Johnson at (360) 870-4915. Please refer to the subject matter described above in any future correspondence pertaining to this inspection.

Sincerely,

David D. Lykken
Pipeline Safety Director
