Dear Mr. McKellar:

**RE: 2012 BioGas Public Awareness Inspection – J.R. Simplot Company, Moses Lake, WA**

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Public Awareness inspection of J.R. Simplot Company, Moses Lake pipeline facility on October 18, 2012. The inspection included a review of J.R. Simplot's Public Awareness program and associated records.

No apparent violations were noted as a result of the inspection.

Staff would like to thank J.R. Simplot's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Patti Johnson at (360) 664-1266. Please refer to the subject matter described above in any future correspondence pertaining to this inspection.

Sincerely,

David D. Lykken  
Pipeline Safety Director
