Dear Mr. Reed:

**RE: 2014 Public Awareness Program Follow Up Inspection Tidewater Terminal Company**

Staff from the Washington Utilities and Transportation Commission (staff) conducted a follow up Public Awareness Program (PAP) inspection and exit interview on April 8, 2014, of Tidewater Terminal Company (Tidewater). The inspection included a records review and completion of Section 4 of the Effectiveness Evaluation form used in the April 2013 PAP inspection.

No apparent violations were noted as a result of the inspection.

Staff would like to thank Tidewater's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Patti Johnson at (360) 870-4915. Please refer to the subject matter described above in any future correspondence pertaining to this inspection.

Sincerely,

David D. Lykken  
Pipeline Safety Director
