Staff also welcomes the opportunity to meet and discuss the issues during the week of August 12th. Right now it looks like the best dates and times are the following.

Tuesday, Aug 13 – Anytime
Wednesday, Aug 14 – PM only
Thursday, Aug 15th - AM only

Let me know what if any of these work for you.

Subject: Chevron Pipe Line Company – Request Extension & Meeting
Importance: High

Mr. Lykken,

Per my conversation today with Mr. Joe Subsits, Supervising Engineer, Chevron Pipe Line request to extend the deadline from July 15, 2013 to August 16, 2013, to respond to the notice of probable violations addressed in your letter dated June 20, 2013. Additionally, we respectfully request to meet with you and your staff at your office sometime during the week of August 12, 2013 to discuss our response to each issue. Granting the extension will allow CPL additional time to respond to each issue.

Should there be any concerns regarding our request, or if you have any questions, please contact me at (713) 432-3332.

Best regards,

Gary M. Saenz
