Dear Mr. Cabodi:

**RE: 2013 Hazardous Liquid Standard Inspection – McChord Pipeline Company**

Staff from the Washington Utilities and Transportation Commission (staff) conducted a hazardous liquid standard inspection from April 23-25, 2013, of McChord Pipeline Company (McChord) pipeline system. The inspection included a review of McChord's pipeline facilities and associated records.

I am pleased to report that no apparent violations were noted as a result of the inspection.

Staff would like to thank McChord's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Dave Cullom at (360) 664-1141.

Sincerely,

David D. Lykken  
Pipeline Safety Director
