Dear Mr. Bruce:

RE: 2013 Public Awareness Program Inspection – Air Liquide Industrial, U.S. LP

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Public Awareness Program (PAP) inspection on February 27, 2014 of Air Liquide Industrial, U.S. LP. The inspection included a review of the PAP program and associated records provided by Air Liquide.

No apparent violations were noted as a result of the inspection.

Staff would like to thank Air Liquide's personnel for their professionalism and cooperation during this inspection.

If you have questions, or if we may be of any assistance, please contact Patti Johnson at (360) 870-4915. Please refer to the subject matter described above in any future correspondence pertaining to this inspection.

Sincerely,

David D. Lykken
Pipeline Safety Director
