Dear Mr. Martuscelli:

**RE: 2014 Natural Gas Public Awareness Follow-Up Inspection – Cascade Natural Gas Corporation-HQ – (Insp. No. 2671)**

Staff from the Washington Utilities and Transportation Commission (staff) conducted a follow up inspection on October 21, 2014, of the Cascade Natural Gas (CNG) Public Awareness (PA) program. The inspection included a review of CNG's effectiveness evaluation of their PA program.

No apparent violations were noted as a result of the inspection.

Staff would like to thank CNG's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Ronda Shupert at (360) 664-1182.

Sincerely,

David D. Lykken  
Pipeline Safety Director
