Dear Mr. Akers:

**RE: 2014 Natural Gas Standard Inspection - City of Ellensburg**

Staff from the Washington Utilities and Transportation Commission (staff) conducted a standard inspection from June 17 - 19, 2014, of the City of Ellensburg's gas distribution system. The inspection included a records review and inspection of the pipeline facilities.

No apparent violations were noted as a result of the inspection.

Staff would like to thank the City of Ellensburg's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Ronda Shupert at (360) 664-1182. Please refer to the subject matter described above in any future correspondence pertaining to this inspection.

Sincerely,

David D. Lykken  
Pipeline Safety Director
