Dear Mr. Ertolacci:

**RE: 2014 Transmission Integrity Management Inspection – Georgia-Pacific, Camas**  
**(Insp. ID 5832)**

The Washington Utilities and Transportation Commission (UTC) staff conducted an Integrity Management inspection from December 2-3, 2014, of Georgia-Pacific (GP) Camas District transmission pipeline system. The inspection included a review of records, procedures and pipeline facilities.

No violations or other issues were noted as a result of this inspection. This inspection will be closed as of December 15, 2014.

We would like to thank Georgia-Pacific's personnel and associated consultants for their cooperation and professionalism during this inspection.

If you have any questions, or if we can be of any further assistance, please contact Scott Rukke at (360) 664-1241.

Sincerely,

David D. Lykken  
Pipeline Safety Director
