Dear Mr. Reed:

RE: 2014 Hazardous Liquid Operator Qualification Inspection – Tidewater Terminal Company -Pasco

Staff from the Washington Utilities and Transportation Commission (staff) conducted an Operator Qualification (OQ) inspection on April 8, 2014 of Tidewater Terminal Company (Tidewater) – Pasco facility. The inspection included a review of the Tidewater OQ plan and associated records.

No apparent violations were noted as a result of the inspection.

Staff would like to thank Tidewater's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Patti Johnson at (360) 664-8715. Please refer to the subject matter described above in any future correspondence pertaining to this inspection.

Sincerely,

David D. Lykken
Pipeline Safety Director
