Dear Mr. Martuscelli:

RE: 2018 Cascade Natural Gas Kennewick District Standard (Records Review) Inspection No. 7546

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Standard Natural Gas inspection from November 27 through 29, 2018 of Cascade Natural Gas Company's (CNG) Kennewick District. The inspection included a records review and a field inspection of certain pipeline facilities.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of 12/05/2018.

Staff would like to thank CNG's personnel for their professionalism and cooperation during this inspection.

If you have any questions, or if we may be of any assistance, please contact Scott Rukke at (360) 664-1241.

Sincerely,

/s/

Sean C. Mayo
Pipeline Safety Director
