**RE: 2018 Natural Gas Standard Inspection – Puget Sound Energy, Transmission  
(Insp. No. 7549)**

Dear Ms. Gilbertson:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Gas Transmission inspection of Puget Sound Energy's (PSE) facilities on June 11-19. The inspection included records verification and field inspection of pipeline facilities.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of June 27.

Staff thanks PSE's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Dave Cullom at (360) 664-1141.

Sincerely,

Sean C. Mayo  
Pipeline Safety Director
