RE: 2019 Hazardous Liquid Operator Qualification (OQ) Inspection – Tidewater Terminal Company – (Insp. No. 7836)

Dear Mr. Reed:

Staff from the Washington Utilities and Transportation Commission (staff) conducted an OQ inspection of Tidewater Terminal Company, (Tidewater) on April 9, 2019. The inspection included a review of OQ records and procedures.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of the date of this letter.

Staff thanks Tidewater's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Scott Anderson at (360) 664-1297.

Sincerely,

Sean C. Mayo
Pipeline Safety Director
