**RE: 2018 Records Review-Field Verification-Liquid Inspection – Petrogas West –
Ferndale Terminal (Insp. No. 7838)**

Dear Mr. Storoshenko:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Records Review-Field Verification-Liquid inspection of Petrogas West, (Petrogas), Ferndale Terminal from December 12 to December 13, 2018. The inspection included a records review and field inspection of pipeline facilities.

No apparent violations were noted as a result of the inspection. This inspection will be closed as of January 4, 2019.

Staff thanks Petrogas personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Anthony Dorrrough at (360) 664-1318.

Sincerely,

/s/

Sean C. Mayo
Pipeline Safety Director
