RE: 2019 Crude/Butane Standard – Annual Review Inspection – BP Pipelines North America – BP Cherry Point Refinery (Insp. No. 7845)

Dear Mr. Maret:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a Standard-Annual Review inspection of BP Pipelines North America, (BP North America), BP Cherry Point Refinery on February 13-14 and March 26. The inspection included a standard review of pipeline facilities.

No apparent violations were noted as a result of this inspection and this inspection will be closed as of the date of this letter.

Staff thanks BP North America's personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Anthony Dorrrough at (360) 664-1318.

Sincerely,

A handwritten signature in blue ink, appearing to read "SMayo".
