RE: 2020 Natural Gas Transmission Integrity Management Inspection – Avista Utilities Corporation – HQ (Insp. No. 8033)

Dear Ms. Rosentrater:

Staff from the Washington Utilities and Transportation Commission (staff) conducted a gas transmission integrity management (TIMP) inspection of the Avista Utilities Corporation, (Avista), HQ on Jun. 16 and Aug. 26 thru 27, 2020. The inspection included a process and records review and an inspection of pipeline facilities.

No apparent violations were noted as a result of the inspection; therefore, this inspection will be closed as of the date of this letter.

Staff thanks Avista personnel for their professionalism and cooperation during this inspection.

If you have any questions or if we may be of any assistance, please contact Anthony Dorrough at (360) 481-4031.

Sincerely,

Sean C. Mayo
Pipeline Safety Director
